PROFESSIONAL EXPERIENCE

The Glimpse Group - Immersive Technologies | New York, NY
Full Stack Engineer | React Developer, June 2022 - October 2023

Joined rapidly expanding immersive technologies startup, engaged directly with c-suite to design and deliver a robust global website integrating modern practices.

- Responsible for the development and management of Full-Stack Web Applications for The Glimpse Group's global marketing team featuring Next.js, a React | Node hybrid framework, written in TypeScript.
- Experience integrating headless CMS including Hygraph and databases such as MongoDB and PostgreSQL.
- Extensive experience working with a team, implementing versioned, well-commented, code.
- Comfortable implementing outside resources utilizing API including Insightly CRM, Hygraph CMS and Emailjs.
- Developed supporting SPAs utilizing Nextjs, Webflow and Wordpress.
- Data analysis driven A | B version testing utilizing Google Analytics | Hotjar
- Spearheaded initiatives with product development and sales to align market efforts with business goals, resulting in a 40% increase in conversion.

Subway Realty Group - Real Estate Firm | New York, NY
Office Manager | Webmaster, October 2013 - June 2019

Recruited as a real estate agent upon arriving to NYC, quickly ascended to Office Manager through development and design of website and supporting materials.

- Maintained all functionality of the firm's website including developing an online tenant application and applicant tracking, featuring database design, graphic design, SSL, CRM integration and email notifications.
- Built custom dashboards in CRM to measure sales statistics.
- Individually oversaw and signed over 250 property rentals generating $700,000 gross revenue annually.
- Directly responsible for managing a 12 person team of agents.
- Designed all branding materials including Logo, Website and all Marketing Materials using Adobe Suite.

PASSION PROJECT

Goldylocks.io - Rental Tools for Real Estate Professionals | New York, NY
Creator | Developer | Real Estate Broker, 2024
